8 months. Nice small head, good skull. Good muzzle, would like some more cushions, needs more chin, scissor bite. Beautiful dark almond eye, good ears, good body proportions, suitable neck, good bone and ribcage. Good angulation back and forth, good tail, nice puppy coat. Drops behind withers when moving, needs to be more stable in front, good behind. Excellent temperament.

11 months. Nice little head, good skull with excellent muzzle, good cushions, good chin. Beautiful dark almond eye, good ears with fringes. Good body proportions, suitable neck, strong bone, good ribcage. Would like much straighter fore legs, enough angulations back and forth. Good tail, big junior coat, drops behind withers when moving, a bit cow hocked behind, very unstable in front. Would like to see a lot better hair. Excellent temperament.

Suhtautuminen tuomariin: käsiteltävissä

7 years. Nice little head with good skull and muzzle. Enough cushions, good chin. Nice dark eye, good ears with frills. Good body proportions but gives a heavy impression. Very good bone and ribcage, enough angulation back and forth. Good tail, too big coat. Should be in firmer condition, loses topline when moving. Could be more stable in front, good behind. Good temperament.
