KASV

KASV 1 KP/ Benevolos

This group is very even in type. They are all in nice size with good body proportions and nice carriage on the move. They all have nice lift to their ears, and have quite nice head type. Just needs to improve with fronts on two of them.

KASV 2 KP/ Cinodes

This group has very nice carriage going through the ring. Some are little heavy coated and slightly strong in head. They have strong hindquarters and cover the ground very easily.
